

## HANNAH'S ADVENTURES IN MISSIONS

### *Abbreviated Update*

- Ladies' Retreat in Tegucigalpa
- Please Pray for Hannah Ruth
- Thanksgiving

### **Ladies' Retreat**

November 3 & 4 about 50 ladies from our church piled into two buses and made the 8 hour journey to Tegucigalpa for a national fellowship. The event was at a beautiful campsite surrounded by pine trees outside of Tegucigalpa in Valle de Angeles. It was an encouragement for some of the women, and we all enjoyed the opportunity for fellowship.

### **Pray for the Griffith Family**

My roommate Hannah Ruth's father passed away on November 16. Please keep her family in your prayers, she has 6 siblings and the loss is affecting each of them differently. Please especially pray for Hannah Ruth as she will be returning to Honduras from the States December 4. I am worried about

her safety traveling because we're in the middle of a great deal of social unrest due to corruption in the presidential election this week. She may even have to postpone her travel date.

## Thanksgiving

Thanksgiving was a wonderful day. The North Americans took the day off of work, gathered in the Stacys' house, and had a feast for lunch! I was able to FaceTime my family in Ohio and eat all the comfort food a girl could want. I'm thankful to be here in Honduras working with so many Christians I look up to, both Hondurans and North Americans. I'm also thankful for my sweet family, both immediate and extended, who support me with their encouragement and prayers. I'm thankful for each of you who support me financially and make it possible for me to live here.

After dinner, I went with the Bridges back to Corquin for their midweek church service. Kaylee is in charge of the kids' class, and I am so proud of her. She is an excellent teacher, and the children not only pay attention to her, but retain information and are excited about what they're learning.

Much love,
